

“Everybody needs to be invited to dream Godly dreams, embrace new vision and use their passions and skills like never before. Everybody is invited to take a lead... A leader is someone who has a vision, says ‘yes’ to God and then does something about that by drawing in others, encouraging people and getting things done. Leaders are not just ministers, lay workers and those with job titles or specific roles, but people of all ages and background who are prepared to leave the comfort of their sofas and pews and get something done for the kingdom.”
